OMC

why us?

why bring in a new design firm - why choose OMc Design Group?

In starting fresh with us, you can lay the solid foundation for a successful branding campaign by getting all graphic elements you need created by one team; or you can breathe new life into your brand with our low-risk, bundled **brand refresh program** that takes a close look at what you already have and suggests some strategic updates to effectively embrace all relevant media.

OMc greatly values its client relationships and strives to continually look for and provide value-added services such as identity developments and marketing campaigns that help our clients succeed with their business.

we deliver a strategic and unique look and feel

Our blueprint strategic process insures that our client's requirements, their industry and competitors are well understood, while our innovative design team will insure that all of our clients get a fresh and unique look and feel that targets the right demographics.

From identity and environments to visual merchandising and promotions in all media, OMc delivers integrated solutions which elevate your brand and drive sales.

85% of OMc's customers are repeat customers and would recommend us.

We are proud of our strong, long-lasting relationships with most of our clients.

about us

our story

Since 1997, OMc Design Group provides design and production services for identity, print, web, motion, 3D and environmental graphics - cost effective, reliable and innovative. We deliver powerful and effective communication design solutions across all graphic design disciplines - from design to finished product, identity to execution.

we create designs that work for you

We have successfully collaborated with hundreds of businesses, educational institutions and non-profit organizations to translate their mission into a consistent visual communication language that resonates across all media.

- ❖ OMc is a multi-disciplinary design firm with offices on the West and East Coast, France & China.
- ❖ We provide well thought-out design solutions that are based on strategic concepts.
- ❖ Eye-catching designs are combined with economic production/programming/installation.

We listen, research and strategize to create effective, memorable and economic graphic design solutions that are of significant value to our clients.

cost effectiveness

cost effectiveness

OMc delivers the highest quality designs that are priced significantly below the Pricing and Ethical Guidelines as outlined by the Graphic Artists Guild.

OMc can not only economically develop all of the compelling elements that define your brand and enable you to stand out, but we can also insure that these assets are put into play and provide you with a return on your investment.

combining design and production saves you money

design quality & top service

With a better understanding of our clients and their industry, we can devise communication design strategies and apply the powers of creativity and technology to deliver effective, unique design solutions that provide our clients with significant value and a competitive edge.

Unlike our competitors, we can cost effectively bundle and discount our services and products to turn them into actionable marketing campaigns.

Our bundle and save program can save significant

reliability

reliability and reputation

OMc prides itself on its repeat business and our clients trust us to continually provide a high level of customer service and deliver their projects on time and on budget.

meeting your deadlines

OMc's 24/7 around the clock design and production teams on the west coast, east coast, Europe and Asia insure that even our clients' tightest deadlines are met and we will not stop until the work is done.

Direct communications with our Creative Director and the Project Manager ensures highest quality in every aspect throughout all phases of the project and it allows us to adjust quickly to changes and further requests. Our response times are instant and your deadlines are paramount to us.

we are dedicated to our clients'
projects from strategic
planning through design
and execution

Unlike our competitors, we can deliver projects in the least amount of time and can meet any client's deadline and expectation (within reason that is, to you miracle seekers).

vision

our vision for graphic design

Good design needs to elevate the level of visual communication to one that involves and informs in ways that are compelling and appropriate while always looking to improve, innovate and stimulate. As communication media evolve, we believe that it will become more and more rewarding to catch an audiences' attention and we intend to honor that goal.

The impact of a great graphic concept can make or break a business and as such, is a powerful weapon in the arsenal of modern marketing. OMc believes that harnessing the accumulative strength of visual communication design will result in greater success for our clients.

when the solution meets the objective the result is success

“
Great design will never sell an inferior product, but it will empower a great product or service to achieve its maximum potential.
”
Christoph Oppermann

Lisa A. Clayton, Source Potential, Half Moon Bay, CA

“Great team, awesome mural, poster and graphic designs with a relentless commitment to us for over 10 years!”
Kris McMullen, 24 Hour Fitness, San Leandro, CA

“Whatever we threw at OMc, with impossible deadlines and daunting tasks, was completed with elegance and reliability - on-time every time. I recommend OMc to anybody that looks to build a partnership with a design firm.”
Melissa Moran, Macy's, San Francisco, CA

“The level of innovative and thoughtful graphic design that we received from OMc is unmatched”
Gabby Bridges, Benefit Cosmetics, San Francisco, CA

“OMc has created a solid brand for us. The solutions to every one of our numerous graphic design projects in identity, print, web and signage have been fantastic. I recommend this group to any serious business that looks to improve their visual communication tools!”
Paul Raybin, BetaColor, Rancho Cucamonga, CA

“OMc rocks. I recommend them to any company that wants to stand out in the crowd! This firm is it!”
Carla Biondi, biondi ceramics, San Francisco, CA

“Fantastic service, incredible concepts, great designs. OMc is the best design firm we ever worked with. Period.”
Dr. Martin Oppermann, Meddocks Medical, Erlangen, Germany

“Christoph has totally pushed the envelope for the state-of-the-art environmental graphics here at the Evoluon.”
Karin Rommers, Philips, Eindhoven, Netherlands

“OMc has provided Sun Microsystems with a level of world class design service that has been unmatched. Christoph and his team offer design and production solutions from concept through completion that continually meet or exceed our highest expectations and tight deadlines.”
Kathy Sebeck, Sun Microsystems, McLean, VA

“OMc Design Group has proven for years to be a relentless source of productive creativity and reliable dedication. They designed and maintain our corporate identity with all print, architectural and web graphics. From initial concept to finished product, this firm defines great design.”
Roger Lackey, Sr. Regional VP - Sales, ARC, San Francisco, CA

“OMc Design Group was the first graphic design team that “listened” to our needs and understood immediately how we wanted to look and present ourselves to the world. The extra time they spent with us, ensuring that we were satisfied was beyond what we expected and the results were amazing. They did more than provide us exceptional service, they established a relationship with us that we value and respect.

Our customers continually comment on our visual communication material. We finally have a “brand” that will be remembered and truly reflects who we are and what we do, thanks to OMc.”
Lisa A. Clayton, Source Potential, Half Moon Bay, CA

“The floating-bicycle exhibit that these guys did for us was the best, most original exhibit design we ever had.”
Rodney Hines, Specialized Bicycles, Morgan Hill, CA

“I've greatly enjoyed working with OMc Design Group and completely trust their strategic and creative communication design abilities. They have developed powerful designs for us and I would recommend them without hesitation for both their web and print graphic designs. OMc performs!”
